We have received your application for independent dual enrollment with New River Community College. Independent dual enrollment is the term used when a high/home school student enrolls directly in courses at New River Community College (NRCC). Independent means that the student is enrolling directly at NRCC which is separate from dual enrollment courses scheduled and taught at a local high school. Dual enrollment simply means that the student is enrolled at both a local high/home school and NRCC (i.e. dually enrolled).

The signature of a parent or guardian is required for applicants who are dual enrolled. This form must be completed and returned before the student will be enrolled in any NRCC course.
