NEW RIVER Community College

Welcome back, NRCC Faculty! Please consider joining the Faculty Assembly this year. This organization serves as an advisory body in the formulation, implementation and review of institutional policy and provides the means for the faculty to initiate action on matters with which it is directly concerned.

What we do:

- We meet the first Thursday of each month during the fall and spring semesters from 11 to 12 in the Art room (Godbey 145). If someone from the Mall site will be in charge of logging in, we can find a room there and also join each other via Blackboard Collaborate.
- We take turns (by department) providing lunch for each meeting, and we go potluck in December.
- We sponsor the increasingly popular Family Fun Festival, traditionally held the last Saturday in February.
- We sponsor the Support Staff Appreciation Luncheon at the end of spring semester.

The official functions of the Faculty Assembly are:

1. To accept and share responsibility with administration and students in all efforts to improve the stature and the usefulness of the College.
2. To consider policies, programs and other matters as the administration, student organization, and individual faculty may propose.
3. To express opinion on College affairs as the Faculty Assembly deems appropriate and necessary.
4. To afford channels and procedures whereby communications within the College may flow freely, fully and systematically.
5. To establish within the laws applicable to New River Community College an effective means for advising and responding to the Administration, the College Board and the State Board on College Affairs.

For more information about NRCC's Faculty Assembly, and to see minutes from past meetings, visit <http://www.nr.edu/assembly/>.

Dues: \$10 per academic year for full-time faculty or \$5 for part-time faculty. We also ask for a suggested \$20 donation for the Support Staff Appreciation Luncheon.
