

# Conquering the VPT in Math

## Virginia Placement Test Math Prep Course

**What:** The *Inspired to Succeed* **FREE** Massive Open Online Course (MOOC) is modular in design and includes a collection of video lessons, illustrations and practice tests that allow you to assess math college readiness and helps you prepare for the math portion of the Virginia Placement Test (VPT).

**Why:** Your VPT Math score determines what type of math course you'll be placed in when you start taking classes at NRCC, so it's extremely important to be at the top of your game.

You can also use *Inspired to Succeed* if you've taken the VPT before and want to improve your score.

**When:** You can take the course any time.

**Where:** Wherever you can access an internet connection.
