

NEW RIVER COMMUNITY COLLEGE

MOTORCYCLE SAFETY INSTRUCTORS WANTED

New River Community College is looking for a few "Rider Coaches" to train other Virginians to be skilled and safe motorcyclists.

Requirements:

- Above average riding skills
- Excellent communication skills
- A strong desire to share your experience and safe riding skills with other beginning and experienced riders.

To become a Rider Coach, you will participate in an **intensive 50 hour program** (*three consecutive weekends*) which covers every aspect of safe motorcycling from proper riding gear and motorcycle preparation to advanced emergency riding maneuvers. Rider Coach candidates must attend the entire workshop and should plan on spending time on outside study. At the end of the course, you will teach a class of novice riders under the supervision of a chief instructor.
