

NEW RIVER Community College

We Can.

WELCOMING

NRCC is a welcoming, caring, and supportive setting in which members define and achieve their academic, career, and personal goals.

ETHICAL

We believe in admitting and learning from our mistakes, giving our best effort in every task, and supporting others with respect, honesty, and integrity.

CAPABLE

We hold high standards for our conduct and study, and believe that “smart is something we become, not something we are.”

ASPIRATIONAL

We believe that education is a key asset to achieving intellectual, financial, and personal success, and that it has the power to transform us, our families, our communities, and the world.

NURTURING

We support all members of the community as they embark on their academic and career journeys, overcome obstacles, and reach their goals.

Welcoming. Ethical. Capable. Aspirational. Nurturing.
